STEP 6
Hit Search

Verify the information is accurate and confirm your student record. After clicking continue, you'll access the course listing page to select and complete courses.

Click Back if this is not your student record and reenter your Student ID, and search again.
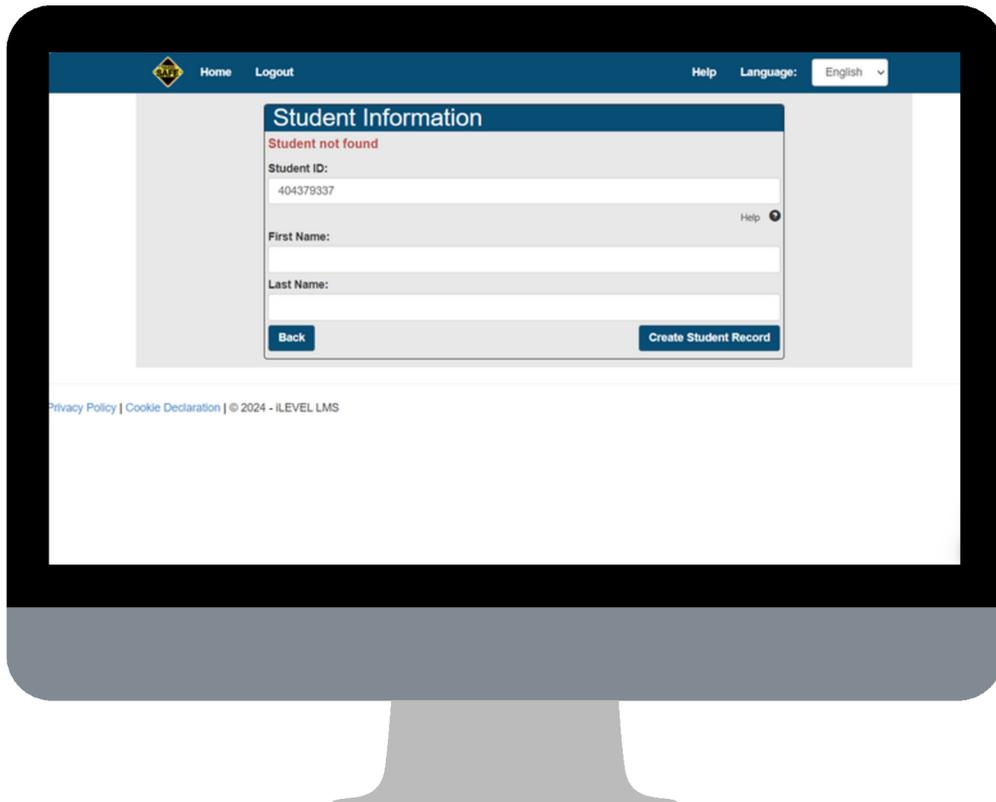

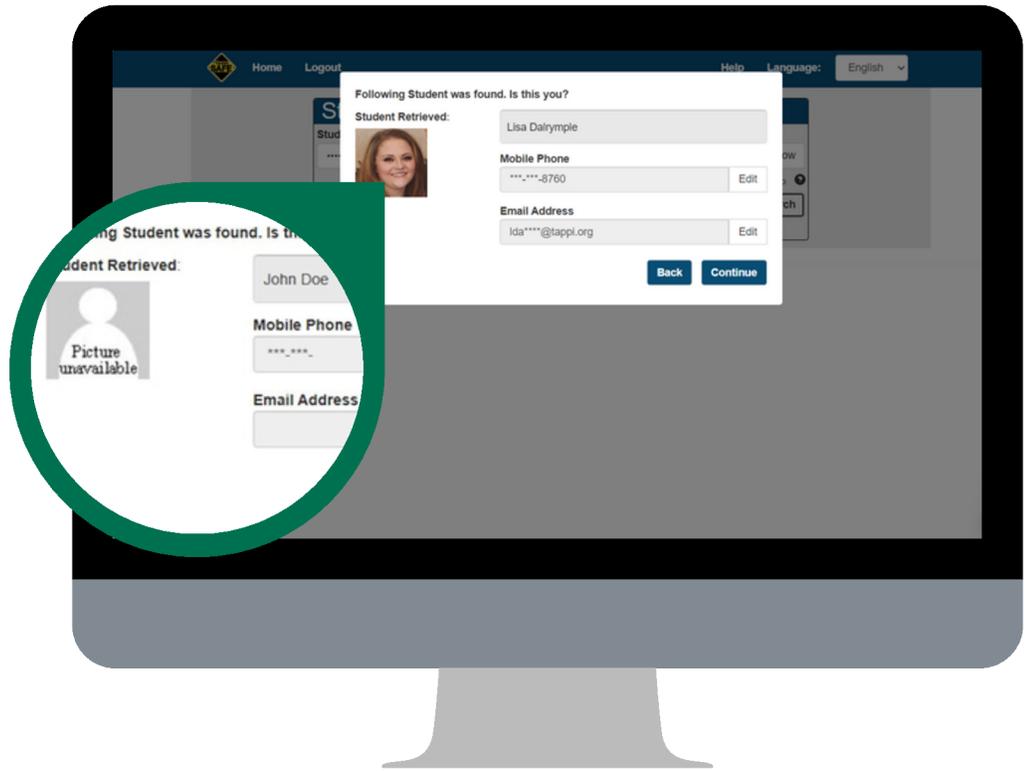

If you are a new student, you will need to create your student ID at this step. Enter a unique 9 digit number that is easy to remember.

We suggest using the first 9 digits of your phone number

Once you enter your number and hit search, you will be asked to enter your first and last name to create your student profile.

STEP 8
Add Student Record Information

Please provide your contact information to receive:

- **Mobile Phone: Digital badge via text message**
